

This document provides a sample FCC ID label with compliance statement per Part 15 Section 19 (a) (3) and a sample warning label per Part 15 Section 121 (f). Both labels will be permanently affixed to the external case of the radio with a permanent adhesive (see the label location file for the exact locations).

FCC ID DJ7-400 This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Sample FCC ID Label shown actual size

WARNING: MODIFICATION OF THIS DEVICE TO RECEIVE CELLULAR  
RADIOTELEPHONE SERVICE SIGNALS IS PROHIBITED UNDER FCC  
RULES AND FEDERAL LAW.
