RE: DKN-301LM

To Whom It May Concern:

The FCC label for this product is located inside the cover. The cover is removable and the user is expected to remove the cover to replace the internal battery. The cover does not require use of a special tool to remove and removal is explained in the user manual. The FCC label is visible at the time of purchase as the product is not assembled in the packaging.

Sincerely,

Ian Schroeder
Regulatory Compliance Engineer
EchoStar Technologies L.L.C.
