March 1, 2002

Federal Communications Commission  
Laboratory Division  
7435 Oakland Mills Road  
Columbia, MD 210046

To Whom It May Concern:

Echostar Technologies Corporation is submitting this application with the desire to modify an exhibit on a previously granted certification. The equipment (DKC01) has been granted certification on 6/26/98.

We wish to have the schematics exhibit changed to confidential pursuant to Rule Parts 0.457 and 0.459. This option is currently not selected for the schematics.

The exhibits were originally submitted 10/5/99.

We appreciate your attention to this matter.
