RE: Dismiss DLAWM-5325 for Product Name Changed

We, the undersigned, TOA Corporation, would like to dismiss the previous FCC Grant Identifier: DLAWM-5325 and re-issue a new grant under Notes: **"WIRELESS TRANSMITTER"** without the word of "Body-Pack". The said device has not been imported to USA market because TOA's North America Marketing Regional business distributor strongly request to identify the **main selling product** is a **"WIRELESS TRANSMITTER"** without the word of "Body-Pack" in Product, User's Manual and Labeling since the **"Microphone Unit" is an optional device for end user extra purchasing. To avoid consumer's misunderstanding and sales dispute**, we sincerely hope FCC can grant this special request. We will submit the modified Test Report, User's Manual and Labeling for your approval. Please have the Model: WM-5325 of FCC granted information as below for your reference.

Product: Wireless Microphone (FCC report of product name)
Model: WM-5325

Grant Identifier: DLAWM-5325
Name of Grantee: TOA Corporation
Equipment Class: Licensed Non-Broadcast Transmitter worn on Body
Notes: Wireless Body-Pack Transmitter
Object: Issue a new FCC certificate with Notes: " WIRELESS TRANSMITTER".

If you have any concern, please kindly let me know without any hesitation.
Thank you so much for your kind attention to this request. Best Regards,

Sincerely yours,

Mr. Tomohisa Tanaka/Manager

Compliance Certification Services
Certification Division
47173 Benicia Street
Fremont, CA 94538, USA

To whom it may concern:

We, the undersigned, hereby authorize ELECTRONICS TESTING CENTER, TAIWAN, to act on our behalf in all manners relating to application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by ELECTRONICS TESTING CENTER, TAIWAN on our behalf shall have the same effect as acts of our own.

We, the undersigned, hereby certify that we are not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing ELECTRONICS TESTING CENTER, TAIWAN as our agent, we still recognize that we are responsible to:

- a) comply with the relevant provisions of the certification program;
- b) make all necessary arrangements for the conduct of the evaluation, including provision for examining documentation and access to all areas, records (including internal audit reports) and personnel for the purposes of evaluation (e.g. testing, inspection, assessment, surveillance, reassessment) and resolution of complaints;
- c) make claims regarding certification only in respect of the scope for which certification has been granted;
- d) do not use our product certification in such a manner as to bring the Certification Division into disrepute and not make any statement regarding our product certification which the Certification Division may consider misleading or unauthorized;

- e) upon suspension or cancellation of certification, discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the Certification Division;
- f) use certification only to indicate the products are certified as being in conformity with specified standards;
- g) endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- h) ensure that any reference to our product certification in communication media such as documents, brochures or advertising, complies with the requirements of the Certification Division;
- i) keep a record of all complaints made known to the us relating to the product's compliance with requirements of the relevant standard and to make these records available to the Certification Division when requested;
- j) take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for certification;
- k) document the actions taken.

This authorization is valid until further written notice from the applicant.

Sincerely Yours,

(signature) Tomohisa Tanaka

Dear Sir:

In accordance with 47 C.F.R. Section 0.459, we would like to request confidentiality on some exhibits we submitted for above application for the reason of trade secret. If those exhibits are available for public inspection, any person who once gets the information contained in those exhibits will be able to design and to make the same products very easily. This is a very serious problem and huge loss for us, because we did invest so much on it.

Please be not made the Exhibit Types listed below routinely available for public inspection:

Block Diagram and Schematics and Operation Description.
