Re: Sennheiser Electronic Corp. FCC ID:DMOAAGPSF

Gentlemen:

Sennheiser hereby modifies the original confidentiality request letter to include the active antenna manual submitted on June 19, 2001. The original letter text follows as modified to include the request for confidentiality of the active antenna manual.

Sennheiser Electronic Corp., herein submits an Application for Equipment Authorization to be followed by submission of a fee for \$1130.00 along with Form 159 for certification of a low power communications device transmitter under FCC Rules Part 15 as required by the FCC Rules.

Sennheiser requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Circuit diagrams submitted as Equipment Authorization Electronic Filing attachment: "schematics".
2. Active Antenna Manual submitted as Equipment Authorization Electronic Filing attachment: "Active Antenna Manual with Technical Description".

Specifically, these exhibit contains information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Sennheiser does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 410-531-3439, by fax at 410-531-0807, by email at [jinglis@erols.com](mailto:jinglis@erols.com), or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,

**(signed)**
