## ***1.1 Purpose***

The purpose of this document is to describe the markings/labels to be put on the BT80 (FLX 70) headset for approval purposes. BT80 is the internal project name and “FLX 70” is the name that the product will be marketed as.

## ***1.2 Markings***

The BT80 (FLX 70) headset will have the following markings:

- CE logo
- FCC ID: DMOCBMDZH
- IC no.: 2099D-FLX70
- Product name: FLX70
- Company Name: Sennheiser
- Product serial number: 7 digits

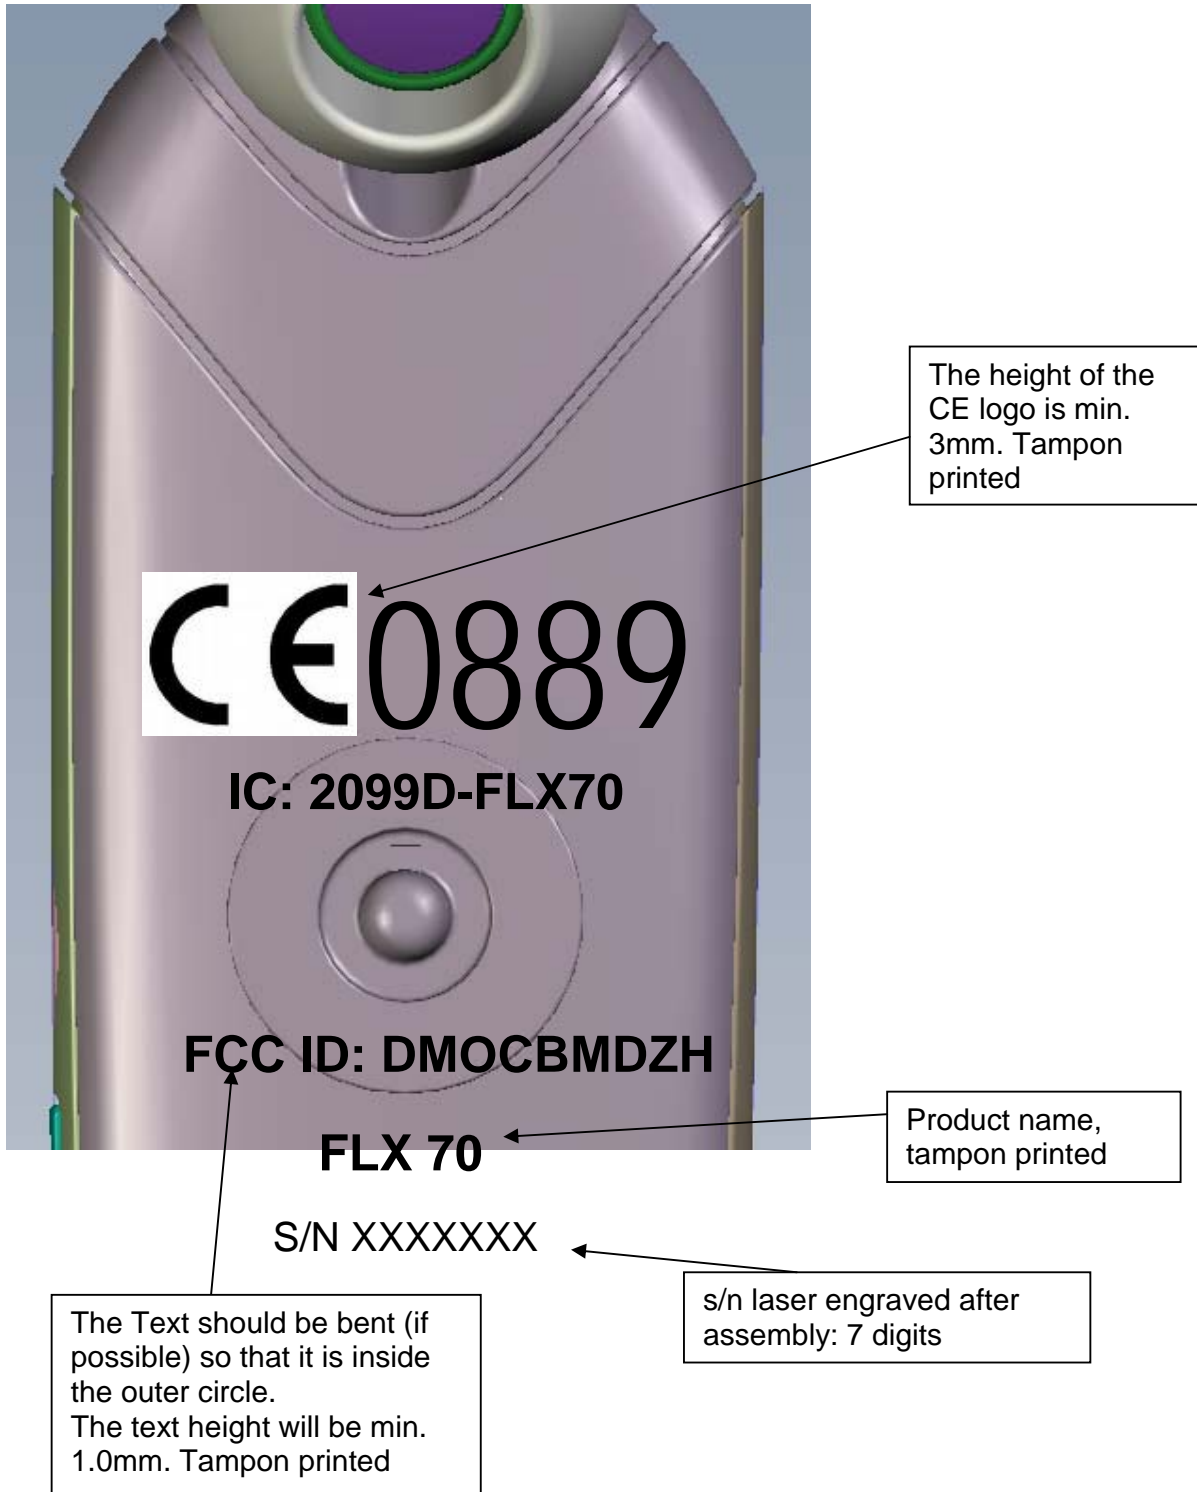

The Sennheiser name will be placed on the side of the headset and will be painted onto the side-panel.

The CE logo, FCC id, IC id and product name will be tampon printed onto the plastic. The colour must be “PANTONE Cool Grey 10 EC”.

The s/n will be laser engraved after HS assembly.

Illustrations of the marking placements will be on the following pages.

### 1.3 Placement of markings

Placement of Sennheiser logo and name:
