Date: September 13, 2006

Gentlemen:

EMS Wireless a Division of EMS Technologies, Inc. respectfully requests confidentiality of certain materials provided with the submission of the CDM1912-743 under FCC ID: DNY020MCELL1900 in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, block diagrams, theory of operation, bills of material, and tune-up procedures contained in this filing in the following exhibits:

06-0347 – Parts List.pdf
06-0347 – Schematics.pdf
06-0347 – Theory of Operation.pdf
06-0347 – System Block Diagram.pdf
05-0347 – Tune-up Procedure.pdf

The CDM1912-743 has been developed at considerable effort and expense by EMS Wireless a Division of EMS Technologies, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Tom W. Foss
