Date: February 26, 2007

Gentlemen:

Andrew Corporation, formerly EMS Wireless a Division of EMS Technologies, Inc. respectfully requests confidentiality of certain materials provided with the submission of the 020MPBE under FCC ID: DNY020MPBE in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, block diagrams, theory of operation, bills of material, and tune-up procedures contained in this filing in the following exhibits:

07-0091 – Parts List.pdf
07-0091 – Schematics-PA 1of2.pdf
07-0091 – Schematics-PA 2of2.pdf
07-0091 – Schematics-Channelizer.pdf
07-0091 – Theory of Operation.pdf
07-0091 – System Block Diagram.pdf
07-0091 – Tune-up Procedure.pdf
07-0091 – Internal Photos.pdf

Confidentiality of the internal photographs is requested based on the fact this product is a non-consumer device and is not accessible by the general public. It is only serviceable by the licensee or his designated technicians.

The 020MPBE has been developed at considerable effort and expense by Andrew Corporation, formerly EMS Wireless a Division of EMS Technologies, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Tom W. Foss
