Gentlemen:

EMS Wireless respectfully requests confidentiality of certain materials provided with the submission of the EKOMINI-8 under FCC ID: DNY0A1EKOMINI8 in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematic, system block diagram, theory of operation, tune up procedure, and bill of material (BOM) contained in this filing. The EKOMINI-8 has been developed at considerable effort and expense by EMS Wireless. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Stephen B. Thompson Signature: *Stephen B. Thompson*
