Re: Product Differences

There are two products covered under this FCC ID. Both products are tubular operators (often referred to as motors). The products are employed in motorized window treatments. The two products are similar as detailed in the table below. However, they differ in “Lifting Capacity” – the load they can lift due to the torque difference.

	SONESSE2 ULTRA30 Zigbee HP LI	SONESSE2 Zigbee HP LI US
Reference Number	5175515	5176122
RPM	20	
Power	12 V @ 1 Amp	
Operator Diameter	30	28
Torque Nm	2	1.1
