

Information about the Applicant

Grantee	Datascope Corporation
FCC Contact	Santo Logerfo
Address	580 Winters Avenue
City, State, Zip	Paramus, NJ 07652
Job Number	STRA0004
Model	Netguard Reusable
FCC ID	DXXNG1300
Agent	Northwest EMC, Inc.
Approval Type	Original
Equipment Class	DTS Digital Transmission System
Rule Part	15.247DSSS

Overview

This application is for an original certification of a 15.247 low power transceiver operating in the 2.4 GHz band. This is a portable radio which uses the 802.15.4 IEEE standard for low rate wireless personal area networks for transmitting patient vitals to a monitoring system.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
