

**Information about the Applicant**

<b>Grantee</b>	Datascope Corporation
<b>FCC Contact</b>	Santo Logerfo
<b>Address</b>	580 Winters Avenue
<b>City, State, Zip</b>	Paramus, NJ 07652
<b>Job Number</b>	STRA0004
<b>Model</b>	Netguard Access Point
<b>FCC ID</b>	DXXNG1400AP
<b>Agent</b>	Northwest EMC, Inc.
<b>Approval Type</b>	Original
<b>Equipment Class</b>	DTS Digital Transmission System
<b>Rule Part</b>	15.247DSSS

**Overview**

This application is for an original certification of a 15.247 low power transceiver operating in the 2.4 GHz band. The radio uses the 802.15.4 IEEE standard for low rate wireless personal area networks. This device is used in a monitor patient monitoring application.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
