Subject: Request for a new certification for  
Logitech, Inc.  
RF Keyboard  
Model: RT7N00

FCC ID: DZL127640

Gentlemen,

Please find enclosed an original package for the RF Keyboard Model: RT7N00. The EUT is a wireless keyboard that consists of a transmitter inside a keyboard, which communicates with a receiver that connects to the USB keyboard port on a personal computer. Logitech, Inc. would like to certify the 27 MHz transmitter portion of the EUT. The digital device portion of the EUT is approved under the Declaration Of Conformity procedure. The receiver, which is an accessory to the EUT, has been approved under the Declaration Of Conformity procedure.

Logitech, Inc. would like to keep the schematics with this application confidential. Please see the request for confidentiality enclosed with the schematics.

We have enclosed the completed Form 731 with the applicable exhibits.

If you have any questions or need any additional information, please give me a call at (650)965-4000.

Sincerely,

A handwritten signature in blue ink that reads "Kevin Bothmann".
