Subject: Cover Letter

To Whom It May Concern,

Logitech is requesting an original certification for our unlicensed Bluetooth headset product called "Cordless Vantage Headset (Model Number: A-00005). The Logitech Bluetooth headset product will operate under FCC Part 15.247. The applicable IEEE standard is 802.15.

The Bluetooth transceiver is a low power (Bluetooth Class 2) device which is designed to be worn on the head to enable a cordless two-way transmission with a Bluetooth source transceiver.

Logitech's Bluetooth device will be utilizing the frequency range of 2402MHz – 2480MHz and employing a pi/4 QPSK modulation scheme (EDR – Enhanced Data Rate).

If further clarification of Logitech's Bluetooth headset is needed, please feel free to contact me at (360) 256-3216, via e-mail at aaron_cohen@logitech.com, or fax (360) 896-2020.

Sincerely,

A handwritten signature in cursive script that reads "Aaron Cohen".
