Overview

This application is for an original certification of an unlicensed Bluetooth radio used in a model F-00001 mobile speaker product, manufactured by Logitech, Inc. The transceiver will operate under FCC Part 15.247, in the 2402 - 2480 MHz band. The radio employs an 8DPSK modulation scheme.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
