RE: FCC ID DZLYUU87

To Whom It May Concern:

On behalf of the applicant, Logitech, Inc., we have requested removal of the test report originally submitted with this application due to the short term confidentiality agreement. We have replaced the revised report with the internal/external and test setup photographs removed. The applicant is aware that the internal/external and test setup photographs were publicly available in the original Test Report exhibit from July 18, 2007 until July 24, 2007, when the original Test Report exhibit was superseded.

If you need further information, please let me know.

Thank you for your assistance,
