V3.6	2022/03/14	Updated the contents of Laser Etching (0JJG2). [Draft 32 version]
V3.2	2022/02/25	Updated the contents of Laser Etching (0JJG2) and system label (6N2FV). [Draft 31 version]
V3.1	2022/02/14	Added PPID label ; Swap the Windows label and CPU label.
V3.0	2022/02/09	Updated the contents of Laser Etching and system label (Draft 30 version).
V2.8	2022/01/07	Redefined the pasting location of Windows label on A cover.
V2.7	2022/01/07	Redefined the pasting location of CPU physical label on A cover.
V2.6	2021/12/22	Updated the contents of system label for WW WIFI (Draft 29 version)
V2.5	2021/10/18	Updated the contents of Laser Etching and system label (Draft 28 version)
V2.3	2021/10/06	Removed the Energy star physical label ; Added the e-logo of Energy star.
	2021/10/05	Updated the contents of Laser Etching and system label (Draft 27 version) Removed MCMC physical label (DPN: 1W6FJ) from A cover.
V2.1	2021/09/10	Added MCMC physical label (DPN: 1W6FJ) and ES label (DPN: 1CHTF) on A cover.
V2.0	2021/09/09	Updated the contents of Laser Etching and system label for WW (Draft 26 version).
V1.8	2021/08/03	Updated the contents of system label (Draft 22 version).
V1.7	2021/07/22	Updated the contents of Laser Etching for WW.
V1.6	2021/07/09	Updated the contents of Laser Etching for WW.
V1.5	2021/07/08	Updated the contents of system label and WW Laser Etching.
V1.4	2021/06/30	Update the contents of system label.
V1.3	2021/06/15	Updated the printing color of system label from Balck to Gray.
V1.2	2021/06/08	Updated the contents of WW Laser Etching and contents of system label.
V1.0	2021/05/25	Updated the service tag QR code of Laser Etching.
V0.9	2021/05/17	Update the contents of system label ; Added dimensions of safety icon.
V0.8	2021/05/10	Removed China NAL label.
V0.7	2021/04/29	Update the contents of Laser Etching for WW and India.
V0.6	2021/04/06	Update the contents of Laser Etching for WW.
V0.5	2021/03/31	Update the contents of system label (Add Japan PC recycle mark).
V0.4	2021/03/29	Update the contents of system label ; Add e-logo.
V0.3	2021/03/26	Update the contents of Laser Etching and system label ; Add XPS logo on A cover.
V0.1	2021/03/04	File release
