

Request Letter for Supersede of Exhibits

Dated: March 3, 2010

FEDERAL COMMUNICATIONS COMMISSION
Authorization and Evaluation Division
7435 Oaklamd Mills Road
Columbia, MD 21046
U.S.A.

Dear Sir,

Due to the brand applicant does not hope that there is the information of OEM manufacture on the label and test report for FCC ID: E2K-PP30LA, they would like to change these two exhibits. We may need your help to remove this exhibit from the database. Thank you for your help.

If there are any questions, please contact me via the e-mail:

Alan.Lane@phoenix-testlab.de

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Alan Lane', with a long horizontal flourish extending to the right.

Alan Lane Phoenix Test Lab, Germany
