FCC WARNING

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTICE

This device complies with Part 15 of FCC Rules and RSS-Gen of IC Rules.

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of this device.

Since B5J-0451 owns its FCC ID and IC Number, we shall affix an exterior label on the outside of a product if the FCC ID and IC Number are not visible. The exterior label shall use wording such as either "Contains Transmitter Module FCC ID: E52B5J0451 / IC: 1059B-B5J0451" or " Contains FCC ID: E52B5J0451 / IC: 1059B-B5J0451".

There is not an official manual to this module (B5J-0451) but it is necessary for it to be included an explanatory note in a user manual of a product using this module.
