Dear Sir/Madam

As appointed agent for Microwave Data Systems Inc., we would like to submit the application to the Federal Communications Commission for Class II Permissive Change Authorization of the above product. Please review all necessary files uploaded to TIMCO electronic filing site for detailed information.

This application is for Limited Modular Approval of the above product pertaining to Mobile and Fixed and Base Stations with Professional Installation and removal of the special coupling antennas. This issue has been discussed and accepted by Mr. Joe Dichoso at FCC. Please find the attached letter for details of the Manufacturer's justification about the Professional Installation, Revised Users Manual with Professional Installation Warning and the correspondence record between the manufacturer and FCC.

If you have any queries, please do not hesitate to contact us.

Yours truly,

Tri Minh Luu, P. Eng.,  
V.P., Engineering
