American TCB Reviewers

RE: Microwave Data Systems FCC ID: E5MDS-EL806

1) FYI...Although labeling is not fully a part of this review since it is a Permissive Change, please note that the labeling shown in the last response for the shield of the TX is not following FCC required formatting of "FCC ID:". It appears as "FCC :." which is not correct. Please note that this should be corrected.

Noted. A corrected label has been uploaded.

Regards,

A handwritten signature in black ink that reads "Juan Martinez". The signature is written in a cursive style with a long horizontal flourish at the end.
