To whom it may concern:

The enclosed documents constitute a formal submittal and application for a Class II Permissive change / Reassessment / Addition of model number for a limited single module pursuant to the following rules:

Subpart C of Part 15 of FCC Rules (CFR 47)  
RSS-Gen Issue 3, December 2010, "General Requirements and Information for the Certification of Radiocommunication Equipment"  
RSS-210, Issue 8, December 2010, "Low-power Licence-exempt Radiocommunication Devices (All Frequency Bands): Category I Equipment"

For Industry Canada certification, documentation showing the label with the new model number has been provided. The new model is identical to the existing model except for the model number. Please note that the RSP-100 report cover page information is taken from the original listing.

Elliott Laboratories, as duly authorized agent prepared this submittal. A copy of the letter of our appointment as agent is included with the application.

If there are any questions or if further information is needed, please contact Elliott Laboratories for assistance.

Sincerely,

David W. Bare  
Chief Engineer
