The main PCB layout features two central microprocessors, both labeled **XC56303PV66 QJ22A QEA69803**. The board is densely populated with various components, including:

- Microprocessors: **U302** and **U483**.
- Memory: **U209** (RAM), **U201**, **U202**, **U205**, and **U203** (ROM).
- Logic and Control: **U101**, **U102**, **U103**, **U104**, **U105**, **U106**, **U107**, **U108**, **U109**, **U110**, **U111**, **U112**, **U113**, **U114**, **U115**, **U116**, **U117**, **U118**, **U119**, **U120**, **U121**, **U122**, **U123**, **U124**, **U125**, **U126**, **U127**, **U128**, **U129**, **U130**, **U131**, **U132**, **U133**, **U134**, **U135**, **U136**, **U137**, **U138**, **U139**, **U140**, **U141**, **U142**, **U143**, **U144**, **U145**, **U146**, **U147**, **U148**, **U149**, **U150**, **U151**, **U152**, **U153**, **U154**, **U155**, **U156**, **U157**, **U158**, **U159**, **U160**, **U161**, **U162**, **U163**, **U164**, **U165**, **U166**, **U167**, **U168**, **U169**, **U170**, **U171**, **U172**, **U173**, **U174**, **U175**, **U176**, **U177**, **U178**, **U179**, **U180**, **U181**, **U182**, **U183**, **U184**, **U185**, **U186**, **U187**, **U188**, **U189**, **U190**, **U191**, **U192**, **U193**, **U194**, **U195**, **U196**, **U197**, **U198**, **U199**, **U200**.
- Connectors: **J101**, **J102**, **J103**, **J104**, **J105**, **J106**, **J107**, **J108**, **J109**, **J110**, **J111**, **J112**, **J113**, **J114**, **J115**, **J116**, **J117**, **J118**, **J119**, **J120**, **J121**, **J122**, **J123**, **J124**, **J125**, **J126**, **J127**, **J128**, **J129**, **J130**, **J131**, **J132**, **J133**, **J134**, **J135**, **J136**, **J137**, **J138**, **J139**, **J140**, **J141**, **J142**, **J143**, **J144**, **J145**, **J146**, **J147**, **J148**, **J149**, **J150**, **J151**, **J152**, **J153**, **J154**, **J155**, **J156**, **J157**, **J158**, **J159**, **J160**, **J161**, **J162**, **J163**, **J164**, **J165**, **J166**, **J167**, **J168**, **J169**, **J170**, **J171**, **J172**, **J173**, **J174**, **J175**, **J176**, **J177**, **J178**, **J179**, **J180**, **J181**, **J182**, **J183**, **J184**, **J185**, **J186**, **J187**, **J188**, **J189**, **J190**, **J191**, **J192**, **J193**, **J194**, **J195**, **J196**, **J197**, **J198**, **J199**, **J200**.
- Resistors: **R101** through **R200**.
- Capacitors: **C101** through **C200**.
- Diodes: **D101** through **D200**.
- Other components: **U101** through **U200**.

A secondary PCB is mounted on the main board, containing components labeled **687 FL685**, **X0**, **X1**, **X2**, **X3**, **X4**, **X5**, **X6**, **X7**, **X8**, **X9**, **X10**, **X11**, **X12**, **X13**, **X14**, **X15**, **X16**, **X17**, **X18**, **X19**, **X20**, **X21**, **X22**, **X23**, **X24**, **X25**, **X26**, **X27**, **X28**, **X29**, **X30**, **X31**, **X32**, **X33**, **X34**, **X35**, **X36**, **X37**, **X38**, **X39**, **X40**, **X41**, **X42**, **X43**, **X44**, **X45**, **X46**, **X47**, **X48**, **X49**, **X50**, **X51**, **X52**, **X53**, **X54**, **X55**, **X56**, **X57**, **X58**, **X59**, **X60**, **X61**, **X62**, **X63**, **X64**, **X65**, **X66**, **X67**, **X68**, **X69**, **X70**, **X71**, **X72**, **X73**, **X74**, **X75**, **X76**, **X77**, **X78**, **X79**, **X80**, **X81**, **X82**, **X83**, **X84**, **X85**, **X86**, **X87**, **X88**, **X89**, **X90**, **X91**, **X92**, **X93**, **X94**, **X95**, **X96**, **X97**, **X98**, **X99**, **X100**.
