RE:          Certification Applications

FCC ID:          E5XIRFZ66534
Model:          **IRF**

        We would like to apply for FCC Certification on the subject model (EUT).  The EUT is a Internet Radio Receiver built in WLAN b+g Module.

We have uploaded the related document for the EUT onto your website.  Please review the information we submitted and issue us a grant for the subject model. If you have any comments, please do not hesitate to contact us.

Thank you for your attention to these matters.

Sincerely,

Eddy Hsiung / Director
International Standards Laboratory
