Dear Steve

Please see the reply as below:

Question #1: Missing test report! Please supply.

Answer: We re-upload the test report to ftp.

Question #2: In users manual there is a RFX statement:

IMPORTANT NOTE:

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance.

(This is not a specific instruction to the user!)

Answer: We change the wrong statement and re-upload the manual to ftp.

Please check.

Thanks for your assistance!

Best Regards
