Subject: BEHAVIOR TECH COMPUTER CORP., FCC ID: E5XMSM879U, Assessment NO.: AN06T6341, Notice#1

Question #1: Please clarify FCC ID. The test report, request for confidentiality letter, and Form 731 show "E5XMXM879U", but the FCC ID label format shows "E5XMSM843TU". Please update the exhibit(s) accordingly.

Ans:sorry, The correct FCC ID is E5XMSM843TU. Please see the revised test report.

Question #2: The test report indicates that a test kit was used during the test. Please explain what is the purpose to use a test kit during the test.

Ans:The test kit just let the EUT operate as normal,instead of stand by mode.

Question #3: The test report indicates "Grounding - Grounding was in accordance with Manufacturer's requirements and conditions for intended use." If the device needs special condition to operate, please specify all the requirements in the user manual. Can normal home environment

satisfy the special requirements? Otherwise, how can the device be classified as a Class B device?

Ans: We have revised page 10 of the test report, please see the attachment.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
