RE: Application for POWERWAVE TECHNOLOGIES  
FCC ID: E675JS0035

Dear Sir/Madam:

Transmitted herewith, on behalf of Powerwave Technologies, is the application (FCC Form 731) for the Equipment Authorization by the Type Acceptance Procedure for the Multicarrier Cellular Amplifier and Subrack, Model MCA9129-90 AND MCR4109-1.

Please note that TÜV Product Service is the authorized agent for Powerwave Technologies. Direct all communications and send the grant to TÜV Product Service.

If you have technical questions concerning this application, please contact me. All other correspondence should be directed to Judy Evans. The phone number is 619 546 3999 or e-mail at [mwashington@tuvps.com](mailto:mwashington@tuvps.com) or [jevans@tuvps.com](mailto:jevans@tuvps.com).

Sincerely,

Mary Washington  
EMC Engineer
