Re: Request for Confidentiality

In reference to the application under FCC ID: E675JS0099, and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

Schematic Diagrams, Internal Photographs.

The above materials contain trade secrets and proprietary information not customarily released to the public. The internal circuitry design uses proprietary techniques that are not known by the general public / industry. Powerwave Technologies customers have signed non-disclosure agreements. This product is only serviceable by Powerwave Technologies or a licensee. It is definitely not accessible by the general public in its deployment location(s). The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Dale".
