

FCC ID : E6 75JS0099

MODEL: RH008002/000

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference recived, including interference that may cause undesired operation.

S/N: XXXX.12345

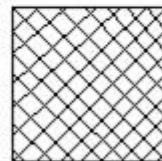

FCC ID : E675JS0099

MODEL: RH008002/002

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

S/N: XXXX.12345

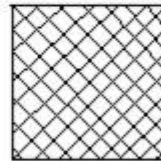

FCC ID : E6 75JS0099

MODEL: RH008002/011

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1)This device may not cause harmful interference,and (2) this device must accept any interference recived,including interference that may cause undesired operation.

S/N: XXXX.12345

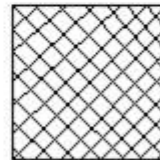

FCC ID : E6 75JS0099

MODEL: RH008002/012

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

S/N: XXXX.12345

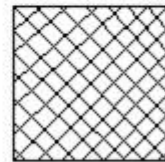

FCC ID : E675JS0099

MODEL: RH800020/101

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

S/N: XXXX.12345

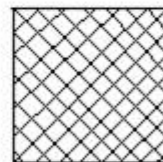

FCC ID : E6 75JS0099

MODEL: RH800020/102

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1)This device may not cause harmful interference,and (2) this device must accept any interference recived,including interference that may cause undesired operation.

S/N: XXXX.12345

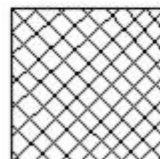

FCC ID : E6 75JS0099

MODEL: RH800020/211

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1)This device may not cause harmful interference,and (2) this device must accept any interference recived,including interference that may cause undesired operation.

S/N: XXXX.12345

FCC ID : E6 75JS0099

MODEL: RH800020/212

IC : 2868C-5JS0099

This device complies with part 15 and, 22 or 24 or 27 or 90 of the FCC rules. Operation is subject to the following two conditions:(1)This device may not cause harmful interference,and (2) this device must accept any interference recived,including interference that may cause undesired operation.
