

November 4, 2009

To Whom It May Concern:

I am requesting to supersede the following exhibit from FCC ID: E8HKG-0903 the exhibit is ID/Label Exhibit, File Name: Internal Photos. The reason for this is that the File name was entered in correctly. I would like to correct the filename for this exhibit.

If you have any questions or comments please contact me at anytime.

Sincerely

Kathlene McQuaid
Administrative Assistant
