

DIGITALS OF SCHEMATICS

There are two schematics documents by the drawing names of 64289-001 and 93293-001. Each document is one page, but in order to obtain a reader digital, they had to be enlarged and then scanned into sections. When the documents are printed out, they can be put together as the following table indicates:

93293A	93293B
93293C	93293D

64289A	64289B
64289C	64289D
