

Appendix A

Non-Conformities for US Radio Equipment Authorization

Non-Conformities FCC ID: E9UASR620PLUSPLUS (Ref # E06-000141-1)

The items listed below represent requests for information following review of this application. Further question may arise pending review of responses to these items.

OK	#	Non-Conformity or Comment	Submitted Response
Y	1	FCC ID number is too long, please provide FCC ID number in proper format (14 Characters Max)..	ID was correct
Y	2	Please provide a block diagram including the frequencies of all clocks used in the device. For example, the schematics show an 8MHz clock, but this is not included on the block diagram.	Revised Block Diagram submitted
Y	3	Although the manual includes 15.105 requirements, it is missing requirements of 15.19. Please provide a label with labeling requirements in accordance with 15.19., <i>“This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation..”</i>	Exhibit provided
Y	4	Please provide documentation indicating ID label placement.	Exhibit provided
Y	5	Please provide a users manual incorporating the statement required by 15.21.	Revised users manual submitted
y	6	Please provide demonstration of compliance to 15.31(e) voltage variations.	Revised test report provided
Y	7	Please justify test distance correction factor used in accordance with 15.31(f) for data presented on pages 7 and 8 of test report.	Revised test report submitted
y	8	Compliance to 15.209 at the carrier is not clearly documented; test distance correction factor used was unjustified; please provide evidence of compliance at the carrier.	Revised test report submitted
Y	9	CKC CS ONLY: CKC to perform FCC ID uniqueness check	It was done and in file.

Non-Conformities FCC ID: E9UASR620PLUSPLUS (Ref # E06-000141-2)

The items listed below represent requests for information following review of this application. Further question may arise pending review of responses to these items.

OK	#	Non-Conformity or Comment	Submitted Response
y	6	Please provide demonstration of compliance to 15.31(e) voltage variations.	A revised test report has been uploaded
y	8	Compliance to 15.209 at the carrier is not clearly documented; test distance correction factor used was unjustified; please provide evidence of compliance at the carrier.	A revised test report has been uploaded

The items indicated above must be submitted before processing can continue on the referenced application. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) and forfeiture of the filing fee pursuant to Section 1.1106.
