Re: Request for confidentiality

Applicant: Linear LLC

FCC ID: EF400100

To whom it may concern,

Request is hereby submitted by {Your company name} to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Parts list
- Schematic

Short-term Confidentiality [Complete this section if short-term confidentiality is requested]

[Your company name] has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.]

Sincerely,

A handwritten signature in black ink that reads "John W. Kuivinen". The signature is written in a cursive style with a large, stylized initial "J".
