CETCB  
114 Olinda Drive  
Brea, CA 92823

Gentlemen:

This letter is to formally notify that the following modification(s) had been made to our **Garage Door Controller Model # GD00Z-4** during FCC certification testing, and will be implemented in production.

Modification(s):

**908.40 MHz PA Control Value: 0X0E**  
**916.00 MHz PA Control Value: 0X16**

If you have any questions or need additional information, please feel free to give me a call at (760) 438-7179

Sincerely,  
Josh Hansen
