

STATEMENT OF ATTESTATION

MCT-3 - Remote Control Transmitter

FCC ID: EF4 DNT00089

The equipment under test is a low powered visor clip style transmitter used as a remote control transmitter for garage door operators. No supervisory signals are provided by this transmitter.

This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis.

I further certify that the necessary measurements were made by Linear LLC, 2055 Corte Del Nogal, Carlsbad, California. 92009.
