

STATEMENT OF ATTESTATION

Model: DXS-73 Smoke Alarm Transmitter

FCC ID: EF4 SST00113

The equipment under test is a low power battery operated smoke alarm transmitter used with the 315 MHz DVS and PERS family of alarm receivers. Every 1.1 hours this transmitter sends a supervisory signal and battery report.

This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis.

I further certify that the necessary measurements were made by Linear LLC, 1950 Camino Vide Roble, Suite 150, Carlsbad, California. 92008.
