Re: Remtron Unit EA96582 (EGT844TX)

Dear Linda

Enclosed is the new test data taken for the Remtron Unit 21T44 All plots and data sheets are included. The 21T54 Data will be coming as soon as possible. There is one more harmonic point to be taken on this unit. We apologize for the delay on this information and again thank you for your patience with us.

Thank you
