<b>Attestation</b>	
<b><u>FCC ID:</u></b> EHA-01CN4	<b><u>Model</u></b> CN4 / CN4e

The Intermec models CN4/CN4e under this particular FCC application will only function as a WAN-only device. The CN4/CNe models also have 802.11b/g (WLAN) and Bluetooth capability, but for the purpose of this particular FCC application, the WLAN and Bluetooth transmitters will either be reliably disabled or uninstalled and will not be available to users of the CN4/CN4e.
