Re: Application for Hand Held Computer with Transceiver Certification

To whom it may concern,

Application:

Intermec Technologies Corporation, 550 Second Street SE, Cedar Rapids, Iowa 52401-2029 herein submits for Certification of a Hand Held Computer with transceiver FCC ID: EHA-03CN3. Intermec is also the manufacturer of this equipment.

Confidentiality:

Pursuant to Section 0.459 of the Commission's rules (CFR 47), Intermec requests confidentiality for portions of the material contained in this application and that the identified material be withheld from public inspection following the grant of this authorization. This material contains Intermec trade secrets and confidential information that Intermec does not customarily release to the public and which is otherwise not generally available to the public. Confidentiality is requested for the following exhibits:

- Theory of Operation
- Schematics
- Frequency Block Diagram
- Tune up Procedure
- Parts List

Description:

This equipment contains an GSM/GPRS cell phone radio module, which operates in the 850 and 1900 MHz GSM bands. This equipment also contains a combination 802.11g and Bluetooth module, which operates in the 2.400 – 2.4835 GHz frequency band.

Contact Information:

Please contact me by telephone at (319) 369-3865 or by e-mail (scott.holub@intermec.com) if there are questions or additional information needed concerning this filing.

Yours truly,

Scott J. Holub
