

The logo for Intermec, featuring the word "Intermec" in a bold, sans-serif font, oriented vertically. To the right of the text is a large, faint, circular graphic composed of several overlapping, slightly offset lines, creating a sense of motion or a globe. Below the text and graphic is a solid black square containing a white, stylized circular symbol that resembles a lowercase 'e' or a similar character.

SUBJECT: FCC ID: EHA-05CN3 Class 2 Permissive Change, Radio and RF Path Attestation

To Whom It May Concern:

This letter attests that there are no MC75 radio changes or radio frequency path changes associated with the integration of the longer keyboard for the Model CN3.

Sincerely,

A handwritten signature in black ink, appearing to read "Stuart Adams". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Stuart Adams
Engineering Manager
Product Reliability & Compliance
