EHA-1000CP01CX2

Dear Application Examiner:

We recently completed an upload and issued a grant of equipment authorization for FCC ID EHA-1000CP01CX2. The client initially submitted a Draft version of their User Manual, which was uploaded with the filing. They have now provided the final version of the manual which has been uploaded and should supersede the manual that was originally submitted.

Best regards,

Northwest EMC, Inc.
