Subject: Application for Class II Permissive Change, FCC ID: EHA-1000CP01CX2

Dear Application Examiner,

Intermec Technologies Corporation is submitting this application to add HAC to the current certification under FCC ID: EHA-1000CP01CX2.

FCC ID	Model Name	Model Number
EHA-1000CP01CX2	CN70	1000CP01C-H1
	CN70e	1000CP02C-H1
	CK70	1001CP01C-H1

There is no difference in the RF portion of these three variant models.
There is no difference in the Acoustic portion of these three variant models. The models differ from the originally certified models in the acoustic speaker which improved the HAC performance above the minimum threshold.

The supporting HAC reports have been submitted for review.

Your efforts in reviewing this application are greatly appreciated. Please contact me if there are questions or additional information needed concerning this request.

Sincerely,

David Schramm EMC Manager—SGS North America—
Signing for: Intermec Technologies Corporation
