## Overview

FCC ID EHA-CP01F covers three Intermec hand-held computer model numbers: 1000CP01F9, 1000CP02F9, and 1001CP01F9. All three models contain identical certified radio modules and are electrically and mechanically identical above the keypad. Only the size of the keypad and battery are different. The radio modules are FCC ID: EHA-RC12 (Intermec model RC12), which is an 802.11 a/b/g/n - Bluetooth radio and FCC ID: EHA-IM11 (Intermec Model IM11), which is an RFID radio module utilizing 902-928 MHz FHSS to read tags.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

## Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
