Subject: Request for Confidentiality
FCC ID: EHA-1000CP01UX1

To Whom It May Concern:

Our radio vendor, Sierra Wireless, has requested long-term confidentiality for the following exhibits under a separate letter attached to this application:

- Schematic Diagrams
- Block Diagram
- Operational Description
- Tune-up Procedure

Pursuant to Public Notice DA 04-1705 of the Commission's policy, we are requesting the commission to grant short-term confidentiality request on the following attachments. This is required in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices:

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual
- Compliance Insert
- Quick Start Guide

It is our understanding that all measurement test reports, FCC ID label format and correspondent during the certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.
