

The logo features the word "Intermec" in a bold, blue, sans-serif font, oriented vertically. To its right is a stylized graphic of a globe with latitude and longitude lines, rendered in a light blue color. Below the globe is a dark blue square containing a white geometric pattern of overlapping circles and lines.

To whom it may concern,

We, Intermec Technologies, hereby attest that the client software and associated drivers used with the DDIB radio module will not initiate any transmission on DFS frequencies. This includes transmissions for beacon ad-hoc peer-to-peer modes.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean MacKellar".
