Date: March 9, 2009

The FCC logo is a blue square containing a white stylized graphic of three overlapping circles or rings, representing the Federal Communications Commission. It is located to the left of the recipient's address.

Telecommunication Certification Body (and/or)  
Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, Maryland 21046

**Subject: Long Term Confidentiality FCC ID: EHA-IM5R3**

To whom it may concern,

We hereby respectfully request that under the provisions of 47 CFR 0.457 and 0.459, the documents listed below and attached with this application for certification be provided with permanent confidential status.

- Schematics
- Theory of Operation
- Frequency Block Diagrams

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents above contain trade secrets and proprietary information that are treated as confidential and not released to the public. Substantial competitive harm to Intermec or our suppliers could result should they be made available to the public.

Please contact me if there are questions or additional information needed concerning this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Fry". The signature is fluid and cursive, written over a white background.
