

Information about the Applicant

Grantee (Company Name)	Intermec Technologies Corporation
FCC Contact Person	Dave Fry
Address	6001 36th Avenue West
City, State, Zip	Everett, WA 98203-1264
Job Number	INMC0602
Model	IM5r3
FCC ID	EHA-IM5R3
Agent	Sean MacKellar
Approval Type	Class II Permissive Change
Equipment Class	DTS Digital Transmission System
Rule Part	15.247 (15C)

Overview

This application is for a class 2 permissive change to the EHA-IM5R3 grant to allow the use of additional antennas and to change the grant to a limited modular approval requiring professional installation. This radio is used to read passive RFID tags.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
