

Modular Approval Request Letter

Bureau Veritas Consumer Products Services (H.K.) Ltd., Taoyuan Branch

March 6, 2012

Dear Application Examiner,

Intermec Technologies Corporation, It's a Mobile Receipt Printer with WLAN module. FCC ID: EHA-INWL02 would like to have your authorization as a limited modular approval for specific host PR2, PR3.

The requirements of section 15.212 of FCC rules have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding."
The radio portion of this module has its own RF shielded, please see exhibition External Photo.
2. "The modular transmitter must have buffered modulation/data inputs." The EUT has buffered data inputs, it is integrated in chip WL1271.
3. "The modular transmitter must have its own power supply regulation." The part number of this regulator is WL1271.
4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)." The EUT meets the FCC antenna requirements. The spurious emission, unique antenna connector and photo of antennas are shown in the test report.
5. "The modular transmitter must be tested in a stand-alone configuration" This item does not comply. The EUT was tested with a specific host as above mentioned.. Please see section Photographs of Test Configuration in the test report, the EUT was installed inside the host.
6. "The modular transmitter must be labeled with its own FCC ID number." Please see exhibition Label Sample for the FCC ID of this module. And also in the exhibition Users Manual, there are instructions give to the OEM on how to label the end product.

7. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements." The EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.

8. "The modular transmitter must comply with any applicable RF exposure requirements." The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Please contact me if you have any further questions. Thanks for your attention.

Best Regards,
