### Overview

This application is for an original filing of Intermec Technologies Corporation's radio model RC12, FCC ID: EHA-RC12. The device is a combination 802.11a\b\g\n and Bluetooth radio module. Exhibits have been submitted in support of a full modular approval as a DTS device under 47 Cfr 15.247 and as a UNII device under 47 Crf 15.407.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

A letter listing the applicable modular requirements was submitted.

### Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
