Re: **OPERATIONAL DESCRIPTION TO BE HELD CONFIDENTIALITY**

Gentlemen:

During the process of uploading the exhibits to the EAS, the operational description was inadvertently not marked for confidential treatment. This was an oversight and should be held in confidence as requested in the letter for confidentiality by Intermec Technology, Corp. This letter is requesting you to change the status of the exhibit and remove it from public view.

Please keep the information in confidence, as this applicant has requested confidentiality for the submittal. Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Scot D. Rogers".
